Subject: Random Question

Hi Mike -

Sorry to bother you with a random question. Could you suggest a contact in EN's legal department who might deal with a subpoena issue? This has nothing to do with the acquisition or APA. A lawyer for Cisco is probably going to subpoena some of our former employees (not you, and it's not hostile, just looking for prior art in a patent case!) and I'd like to connect him with someone at EN so they don't have to just lob a subpoena to your registered agent.

Thanks for any input! I hope things are going well over there...

Best,
Richard
